PROFILE

Frontend Developer with hands-on team project experience using React, Next.js, TypeScript, and Redux. Focused on clean architecture, real-time features, and responsive design. Familiar with agile workflows, GitHub collaboration, and code reviews. Committed to writing maintainable code and creating user-friendly interfaces.

EXPERIENCE

IT Incubator NOV 2024 - PRESENT
Frontend Internship | [LINK](#) | [Github](#)

- Developed features for a large-scale social platform using React, Next.js, TypeScript, and RTK Query.
- Executed real-time messenger and notifications functionality with WebSockets and implemented robust form handling with React Hook Form and Zod.
- Refactored and built reusable components (including Radix UI) to enhance scalability and maintainability.
- Implemented infinite scroll and pagination for chats and notifications, ensuring smooth performance and efficient data loading.
- Collaborated in an agile environment, using Jira for task management and GitHub for version control and code reviews

Personal Projects

The Wild Oasis Website

Developed a boutique hotel website featuring luxury cabins. Implemented browsing of cabins, reservation creation, and booking management, and Google OAuth authentication. Built with JavaScript, Next.js, TanStack Query, and Supabase, focusing on responsive design, state management, and seamless user interactions.

Previous Professional Experience – 2003-2010
Human Resources & Training

Held various HR and training roles at international companies in the oil & gas sector, including Baker Hughes and Halliburton.

- Coordinated recruitment, training, and personnel administration for international teams.
- Delivered training sessions in Russian and English.
- Managed projects and reporting with attention to detail and deadlines.
- Gained strong skills in communication, teamwork, and problem-solving.

EDUCATION

Frontend Development Program

Nov 2022 - present

IT Incubator school

- Focus on JavaScript, TypeScript, React, Redux, RTK Query, Next.js
- Hands-on team projects (Flashcards app, Social Network)

Diploma of Higher Education in Philology (English & German Languages)

1997-2002

Bryansk State University
